RE: DOCKET NO. 98N-1265

In its present form, the MOU, as well as the Compounding section of the Modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the providers of their choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs. As a healthcare consumer, there should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel.

The MOU must be amended!

Sincerely,

Patricia Mindorff
